Honorary Dentist : H. F. Green, Esq., L.B.S., ENG.

Honorary Masseuse : Miss M. A. French, C.S.M.M.G.

Bankers—Lloyds Bank, Leatherhead.

Report

for the year ending 31st December, 1928.

The Committee presents the Twenty-Fourth Annual Report, also a Statement of the Revenue and Expenditure for the year ending December 31st, 1928.

The Committee desire to express to the many good friends of the Hospital their most sincere thanks for the confidence which they have shewn in the work of the Hospital by the continued support they have given.

The foundation stone of the Hospital was laid on 15th October, 1903, 25 years ago, and when the Hospital was opened in 1904 the population of Leatherhead alone was about 4,000—it is now believed to be nearly 7,000. The other villages served by the Hospital have no doubt increased in a similar proportion.

The Committee has endeavoured to increase the accommodation to keep pace with present requirements, they recognise, however, that the subscriptions do not increase in the same ratio as the population, and they trust that the extra annual expenses incurred by the Hospital will not be lost sight of.

The accommodation for Patients now consists of :—

6	Beds in the Men's General Ward.	Also 1 cot.
8	" " Women's General Ward.	Also 1 cot.
2	" " in separate Private Wards.	
1	" " in the Emergency Ward.	

In the last annual report it was indicated that the Committee intended to carry out a small extension to the Hospital, which was completed before the end of the year.

The new accommodation includes a waiting room for relatives and friends visiting patients, and meets a much needed requirement—the provision of an emergency ward, particularly for dealing with accident cases—and also some accommodation for the Acting Medical Staff. Several members of the Ladies' Committee very kindly contributed gifts of Furniture.

The pressure for admittance not only to the general wards, but to the private wards continues.

The necessity for an X-ray installation especially to deal with fractures arising out of innumerable motor accidents, has for a long time been present in the minds of the Committee. On previous occasions whenever an enlargement of the Hospital has become necessary or desirable, the Committee have received a ready response from the residents in the neighbourhood to their appeal, but the enormous outlay that building the accommodation in which the X-ray apparatus would have to be housed, together with the cost of the installation has for a long time made this impossible.

The Committee are however, in the happy position of being able to state that the extra accommodation can now be provided and that during the present year the installation will in all probability be ready for use.

This has been brought about by the recent munificent gift of no less a sum than £4,500 from an anonymous resident for the express purpose of providing accommodation for an X-ray installation, as well as the apparatus and necessary fittings.

The Committee have purchased "Fairmead," previously known as "Leverton House," on the Epsom Road opposite the Hospital, which lends itself in a very satisfactory manner and without any great cost for alterations necessary in order to instal the X-ray apparatus together with a Dark Room, Waiting Room, Dressing Rooms, Lavatories, etc. The amount is also sufficient to purchase a most efficient X-ray installation and the Committee have good reason to believe that few, if any, Cottage Hospitals will have anything to equal it.

"Fairmead" will also provide accommodation for some of the Nurses and Staff; hitherto the Night Nurses have found that their rest has been disturbed by the day work in the main building.

The Committee feel that they and the residents are deeply indebted to the donor for this magnificent gift and the Committee have conveyed to him their grateful thanks and appreciation.

The Pension Fund has also been increased by a gift of £192 : 8 : 1 from another resident as a "Peace Offering from the Motor Industry for the burdens that road traffic accidents impose on such institutions as ours," the Committee hope that the Residents will also give this Fund their support so that the interest received from the investments will meet any likely calls.

Mr. E. R. Still, who was appointed a Trustee when the Hospital was erected, has intimated his desire to retire from the Trusteeship and it is therefore necessary to appoint a new Trustee in his place, and the Committee propose to take the opportunity of increasing the number of Trustees from two to three.

The following Resolutions will be submitted at the General Meeting on the recommendation of the Committee :—

- (1) That the Statement of Accounts and Report for the year 1928 be received and adopted.
- (2) That two new Trustees be appointed (Rule 4).

The Committee wish to place on record the untiring interest taken by the Ladies' Committee in all matters that concern the working of the Hospital, and at the same time to offer to Lady Ebbisham their congratulations upon the honour that has been conferred on her.

It would be difficult to over-estimate the work of the Matron, Miss Munro ; her general efficiency is reflected in the willingness of her Staff to associate themselves with her in creating an atmosphere of content amongst the patients.

The Committee has once again been served most loyally and faithfully by the Honorary Medical and the Nursing Staff, and also the Domestic Staff, and take this opportunity of expressing to them all, individually and collectively, their appreciation and gratitude for their work in the interests of the patients.

Among the changes which have taken place in the Acting Medical Staff, it may be mentioned that Mr. Etherington Wilson resigned in the early part of the year.

Mr. Wilson was a skilful surgeon and successfully performed a large number of operations in the Hospital.

He had also rendered conspicuous service to the Hospital during the 5½ years he had resided in Leatherhead.

The Committee consider they are fortunate in securing the services of Mr. Colin Clarke, D.S.O., F.R.C.S., M.B., B.S. London, L.R.C.P., who was previously a House Surgeon at St. Bartholomew's Hospital and at the Metropolitan Hospital.

The Honorary Consulting Physician and the Honorary Consulting Surgeons have on many occasions come down from London to give advice or perform serious operations and the Committee recognize their indebtedness and express their thanks for the services so willingly rendered.

This year the Hospital has been extremely fortunate in obtaining a donation from members associated with the London Stock Exchange ; Mr. Edmund Daniels very kindly interested himself on our behalf and through his exertions a sum of no less than £740 was received. The sum of £100 was also received from the Executor of the late Mrs. William Maples who for many years was a member of the Ladies' Committee.

Offertories have been received from all the Churches and Chapels in the neighbourhood, and the Committee wish to express their gratitude for the assistance thus rendered to the funds of the Hospital. They also wish to thank the Clergy for their regular attendance at the Hospital.

Again the Committee have to thank Mr. Lack and the Committee that worked in conjunction with him for organising a Cricket Match between Lord Ebbisham's Eleven and the Surrey Police. Fortunately the day was fine and there was a large attendance. Many of the principal Residents witnessed the Cricket Match. The local Police took a great interest in the event and through the united efforts no less a sum than £273 : 2 : 2 was handed over to the Hospital, and in addition an Electrolux Refrigerator has been presented out of the monies derived from the Fête—a most useful accessory.

The local Division of the British Red Cross Society have been able through the members of our local V.A.D. organisation to render valuable aid to the Matron throughout the year.

Pound Day again yielded a most acceptable contribution. A large number of Donors brought or sent no less than 1616 lbs. of groceries and also many other articles, all extremely useful, and also £55 : 2 : 3 in cash.

The Committee appreciate the efforts of all those who have been good enough to take charge of the Collecting Boxes and for endeavouring to fill them—in some cases with considerable success. They also wish to thank Mr. Drake for clearing the boxes.

The Leatherhead Dramatic and Operatic Society gave a series of performances of the operetta " CINGALEE " for the benefit of the Hospital, and the handsome gift of £92 has been received from the Treasurer. The Committee desire to tender to Mr. Charles Grantham, and also to the Secretary and Treasurer, and all the members of the Society who assisted in the production, their great appreciation for their efforts on behalf of the Hospital.

The Leatherhead Workers' Fund has contributed during the year no less a sum than £85 : 11 : 8 and the Committee are grateful to Mr. Hopkins for the interest he takes in collecting this money. Since the Fund was started the total sum raised amounts to £471.

The Committee would be glad to receive Letters for Convalescent Homes, gifts of Old Linen, Illustrated Papers and Magazines, Toys, also Books, likely to be of interest to the patients or nurses, but not otherwise.

To remove misunderstandings, it is desirable to state that under the Rules no person is eligible for admission who is suffering from any infectious, contagious or mental disease.

By order of the Committee,

C. F. LEACH,

President.

doz. tumblers and 2 water jugs, 1 pillow, 1 bed-pan, 3
surgeons' gowns, ½ gallon liquid paraffin, £55 2s. 3d.

RULES.

1. That this Institution shall be called the "LEATHERHEAD COTTAGE HOSPITAL."

2. The funds for the support of the Hospital shall be raised by voluntary contributions, interest on investments, and by payment of the patients or their friends, and all subscriptions shall be due on the 1st July in each year.

3. The Committee may direct the investment of the funds of the Hospital, not required for current purposes, in the names of the Trustees, in such securities as Trustees are by law permitted to invest Trust monies.

4. There shall be Trustees (not less than two or more than three) in whom shall be vested all the property of the Hospital, upon trust, for the sole benefit of the Hospital, to be dealt with in such manner as the Committee for the time being may from time to time direct.

5. No Officer or Member of the Committee of the Hospital shall at any time be personally liable for any obligations contracted in the name of the Institution. The funds of the Institution only shall be liable for such obligations.

6. The management of the Hospital shall be vested in a President and Committee of not less than eight or more than ten elected Members, with Medical Officers and Honorary Treasurer.

7. An Annual General Meeting of the Subscribers shall be held in each year when and where the Committee shall determine. At this meeting a report of the past year shall be presented by the Committee; the President, Treasurer, Secretary and Committee shall be selected from the body of Subscribers of one guinea and upwards, and an Auditor appointed; and other business transacted.

8. In the event of any vacancy occurring in the Committee, or among the Officers of the Institution, arising from death, resignation, or otherwise, the Committee shall have power to fill up the vacancy.

9. The Committee may at any time call a special General Meeting of Subscribers, and they shall at any time be bound to do so on the requisition of Subscribers, not less than ten in number, whose annual subscriptions do not amount to less than ten guineas in the aggregate; the notice calling such meeting shall state the business proposed to be transacted thereat, and no other business shall be transacted at such meeting. No less

than seven days' notice shall be given of every Annual, General, or Special Meeting in such a manner as the Committee may determine.

10. All questions brought before a meeting of Subscribers shall be decided by a show of hands, the Chairman of the meeting having a second or casting vote. Subscribers of one guinea and upwards, and donors of twenty guineas and upwards in one sum, shall alone be entitled to vote. The Clergy of all denominations and also any duly elected representative of any Society or Organisation who shall transmit to the Treasurer any sum of money not less than two guineas, shall be entitled to vote at the next Annual Meeting.

11. The Committee shall meet at such time as they may appoint, and three Members shall form a quorum.

12. The Committee shall have power to draw up from time to time regulations for the conduct of the Hospital, which shall be hung up in a conspicuous position in the Hospital.

13. A Matron shall be appointed by the Committee and act under their instructions.

14. There shall be a Ladies' Visiting Committee, not exceeding ten in number, who shall be appointed at the Annual General Meeting; any vacancy occurring during the year in this Committee from death or resignation, or otherwise, may be filled up by the General Committee of the Hospital. The Ladies of such Committee shall from time to time visit and inspect the Hospital, subject to the directions of the Committee.

15. The Committee may grant gratuities or retiring allowances to members of the Staff who have been in the service of the Hospital for a period of not less than ten years, and may make such provision as they think fit for the payment of such allowances out of the funds of the Hospital.

16. The administration of the monies set aside from time to time for the purpose of granting retiring allowances shall rest entirely in the hands of the Committee for the time being—the question of payment of any grant or retiring allowance and the manner, amount and duration of such payment shall be at the absolute pleasure and discretion of the Committee.

17. No subscription or contribution will be required or accepted from any member of the Hospital's employees, who are to understand that under no circumstances have they any right or claim in respect of any funds set aside for the purpose of granting retiring allowances.

18. The Trustees shall from time to time, at their discretion, invest the Fund in any securities authorised by law for the investment of trust funds, and any such investments may be

realised as occasion arises. The Trustees shall, in the month of March in each year, render to the Committee an account of such securities and of the monies entrusted to their charge, which shall be embodied in the Annual Report to the Hospital.

MEDICAL STAFF.

19. The Medical Staff shall consist of S. Ormond, Esq., M.D.; C. W. von Bergen, Esq., M.B., B.S. (Durh.), M.R.C.S., L.R.C.P.; E.H. Granger, Esq., M.C., M.D., D.P.H. (Cantab), M.R.C.S., L.R.C.P.; Colin Clarke, Esq., D.S.O., F.R.C.S., M.B., B.S., L.R.C.P.; any vacancies in the future shall be filled up by the Committee from gentlemen who are duly registered and qualified according to the requirements of the Local Government Board. They shall have entire control over the Medical arrangement of the Hospital.

Any duly qualified medical practitioner who has been resident and practising in the district (that is the area within a radius of 3 miles from the Hospital) for 2 years, and has obtained the sanction of the Committee, shall be allowed to attend his own cases in Hospital, but must first advise a member of the Honorary Medical Staff and also the Matron, with a view to ascertaining that the patient can be accommodated. This Rule will not apply in the case of a medical man or woman who becomes partner in, or succeeds or acts as a deputy to one of, the Honorary Medical Staff, or to a medical man or woman who has already obtained the permission of the Committee to attend his or her patients.

Duly qualified medical men or women may only be given leave by the Committee to attend their patients in the Hospital after they have been resident and practising in the district for a period of two years, unless the circumstances in the opinion of the Committee are exceptional.

20. Each of the Medical Staff shall act as Medical Officer for a week in rotation, and during such time shall take General Medical control and, in the absence of the other Medical Officers shall, at their request, or in cases of emergency without it, attend to their patients.

TREASURER.

21. The Honorary Treasurer shall give receipts for whatever monies, securities, documents, or writings he may receive on account of the Hospital. He shall keep the cash accounts of the Hospital with such Bankers as the Committee may direct, and shall not pay any monies from such account except by cheque.

22. The Secretary shall attend all meetings of the Committee, keep the minutes of the same, conduct the correspondence, and act generally under the Committee's direction.

PATIENTS.

23. With the exception of cases of serious accident or sudden emergency (which may be admitted to the Hospital on application), no one shall be admitted without a letter of recommendation duly filled up in all particulars and without a certificate of a duly qualified Medical man, resident in the neighbourhood.

24. Each patient shall pay such weekly contribution as the Committee may fix, not being less than two shillings and sixpence nor more than fifteen shillings; domestic servants shall pay ten shillings to twenty shillings per week, but the Committee shall have power to remit the whole or part of any such payments at their discretion. The Committee shall have power to deal with exceptional cases in such a manner as they may think fit.

25. Except in cases of emergency, every patient admitted must be provided with decent clothing and proper changes of linen.

26. No person shall be eligible for admission who is afflicted with any disease which is considered to be infectious or contagious, with epilepsy or insanity, or with any disorder not likely to be soon cured or mitigated by treatment. Women advanced in pregnancy are inadmissible.

27. All cases in the Hospital shall be specially reported by the Medical Officers attending the patients at the next meeting of the Committee. All patients shall be discharged at the end of one month after admission, unless the Medical Officer attending the patient certifies to the Secretary, in writing, that there is a probability of cure or considerable relief. No patient shall remain in the Hospital for more than two months without special leave of the Committee.

28. Friends of patients may be admitted on such days and at such times as the Committee shall appoint.

29. Subject to the Regulations of the Hospital, patients may be visited by any Clergyman or Minister of Religion they may desire to see.

30. No rule shall be altered or any new rule made except at a General or Special Meeting of Subscribers; and no motion for a new rule, or alteration of an existing one, shall be brought forward at such meeting unless notice thereof, in writing, shall have been delivered to the Committee or Secretary at least fourteen days previous to the holding of the meeting.

The charges for patients occupying the private wards may be had on application to Matron.

FORM OF BEQUEST TO THE HOSPITAL.

I give to the Leatherhead Cottage Hospital, at Leatherhead, in the County of Surrey, the sum of £, and I declare the receipt of the Treasurer of the aforesaid Hospital shall be a sufficient discharge for the said Legacy; and I also declare that the said Legacy shall be paid free from Legacy Duty, and that the same, and the Legacy Duty thereon, shall be paid exclusively out of such part of my personal Estate as may be legally bequeathed for charitable purposes.

Leatherhead Cottage Hospital, Leatherhead.
